

Signs Protect Visitors and Resources
Millions of people visit national wildlife refuges each year. The impact of human activity, if not regulated, can degrade these wildlands. Signs control recreational activities while protecting natural resources on the Refuge. Please respect the refuge signs identified in this brochure.

Refuge boundary sign.
Public use permitted in accordance with refuge regulations.

Area beyond this sign closed. All public entry prohibited. Area closed to all public use.
Some areas such as waterfowl sanctuaries are only seasonally closed. Seasonally closed areas have the specific closure dates printed on the face of the sign.
